PLEASE READ THESE TERMS CAREFULLY BEFORE USING THE PLATFORM AND PURCHASING THE NFTs. THESE TERMS GOVERN THE ACQUISITION OF NFTS AND YOUR USE OF THE PLATFORM. PURCHASING NFTS IS POSSIBLE ONLY IF YOU ACCEPT ALL THESE TERMS

What are Sanocubs?

Sanocubs is a collection of 10,000 NFTs representing unique characters in the SanoPass Metaverse universe, inspired by our journey through facilitating and creating a healthier lifestyle with the help of blockchain technology developed by Elrond. Sanocubs represents the first collection of

NFTs in the medical field which marks SanoPass Metaverse's debut in creating a metaverse where the Buyer is in the forefront and controls the access over his own data.

After purchasing an NFT in the Sanocubs collection, the Buyer will be offered an access code in the SanoPass network (Airdrop 1). By entering the code in the SanoPass app (available free of charge on Android and iOS), the Buyer will have access to the following services in the SanoPass partner network:

- 100 medical services done through Sanopass partners, which can be utilized in the time framework of 12 months from the start date when the Buyer came into the possession of the subscription code (Q2 2022)
- 100 entries in our SanoPass FIT partnered fitness gyms, which can be utilised date framework of 12 months from the date when the Buyer starts to possess the subscription code (Q2 2022)
- Telemedicine services in an unlimited format starting from the moment takes possession of the code (Q2 2022)

Both the NFTs and the activation codes are exclusively dedicated to utilisation in a personal matter, non-commercial and the Buyer declares that they will not use it in any other way. The usage of the access code is subjected to accepting the Terms and Conditions applied by the SanoPass app, being necessary to register in the position of user of the app. If the Buyer decides to register in the SanoPass application, he declares that he will provide current, real and complete information.

If the Buyer does not wish to provide the information requested during the registration process in the SanoPass application, account creation and activation of access code services will not be possible, SanoPass not being responsible for the impossibility of using these services.

How can you buy Sanocubs?

Sanocubs can be bought starting from the 31st of March 2022.

The price of a Sanocub NFT is of 2EGLD. Sanocubs can be acquired through Maiar, Elrond Web Wallet

The transaction is processed with the help of Maiar and Elrond wallets, which is solely responsible for the security of transactions.

Can SanoCubs be resold?

Sanocubs can be resold after purchase. Please note that SANOCUBS REPRESENTS USEFUL TOKENS, WHICH PROVIDE ACCESS TO A SERIES OF SERVICES IN THE SANOPASS NETWORK AND SHOULD NOT BE PURCHASED FOR INVESTMENT OR SPECULATIVE PURPOSES. There is

also no certainty or indication of their future value, and there is a possibility of significant changes and fluctuations.

Any acquisition of a Sanocub NFT by the Buyer will be held to these Terms and Conditions, exactly as the initial Buyer. The sale, exchange, donation or NFT transfer towards another person that have not reached the age of 18 are strictly prohibited. We reserve the right to suspend or block access to any person that does not abide by the provisions of these Terms and Conditions.

What are the risks of buying the NFTs

Before buying the Sanocub NFT, we ask of you to keep in mind that any investment in the NFTs and cryptocurrency, in general, presents itself with risks and may lead to significant financial loss as a result of a volatile market, or non-existing an intrinsic value of NFTs and the lack of a legal framework.

SanoPass Metaverse does not stock, save or receive NFTs. The NFTs exist exclusively in the Elrond blockchain. Any NFT transfer occurs in the blockchain and not within the www.sanopass.io website.

The SanoPass Metaverse does not offer any guarantee regarding the availability of NFTs in any location or time slot. The updates, malfunctions or the non existence of the blockchain may have unwanted adverse effects towards any blockchain that uses this technology or similar technology, including NFTs. We do not make promises or guarantees regarding the EGLD coin, the Elrond blockchain or any other third party that may be involved in the NFT transaction. The Buyer accepts and declares that SanoPass Metaverse will not be held responsible to any liabilities that occurred by losing the private key (keys), custody error, any of the buyer's error, cybernetic attacks, hacking, fraud, counterfeiting of any other technical difficulties.

ONCE THE TRANSACTION IS FINISHED, THE PURCHASE OF A SANFT CUBE NFT BECOMES IRREVERSIBLE, AND THE NFTS ARE EXEMPTED FROM THE EXERCISE OF THE RIGHT OF WITHDRAWAL, PURSUANT TO ART. 16 OF GEO 34/2014. BY ACCEPTING THESE TERMS AND CONDITIONS, THE PURCHASER EXPRESSLY AGREES AND CONFIRMS THAT IT HAS BEEN INFORMED AND AWARE OF THE LOSS OF RIGHT OF WITHDRAWAL ON TERMINATION.

The issuer is not liable for damages suffered as a result of the provision of services by DeadRare or other suppliers involved in the management of transactions, they are solely responsible for the quality of the services and are exclusively liable for any damages and / or damages caused to any person. Please pay close attention to their conditions prior to doing any transaction. The issuer makes no warranty, express or implied, and assumes no liability or legal liability for the accuracy, completeness, timeliness or quality of their services. Any request for information or complaints regarding the services provided by outside sources will be addressed to them or, in case you decide to transmit them to the Issuer, they will be redirected by us to any responsible

person. For more details and information, we recommend to access terms and conditions of every external party, available on their sites.

Limited responsibility

Buyer states that it understands and agrees that (i) it has obtained sufficient information to make an informed decision regarding NFTs; (b) is solely responsible for determining the risks associated with such transactions; (d) The issuer shall not be liable for any communication errors, interruptions, errors or delays that you may encounter in connection with the NFTs. The access to the services is delivered as „available“, „as is“ with no guarantee of any way being express, implied, exclusive, but not limited to, any guarantees of marketability associating with a particular purpose, accuracy and non-infringement.

The issuer does not guarantee the accuracy, correctness, timeliness or timeliness of any content or service. The Buyer is responsible for verifying any information before trusting it. Using the www.sanopass.ro site, or any other partner website will be done with sole responsibility of the Buyer.

Although we make every effort to ensure the Buyer's access to the services of the Issuer, we can not guarantee that the site www.SanoPass.ro or the sites of our partners have no errors and that there will be no errors or omissions in their content. We also can not guarantee that the site and its content can be accessed at all times. We will not respond in the event that the website cannot be accessed, regardless of the reason for the impossibility of access and regardless of the duration of this impossibility.

We will also not be liable for any damages caused by a virus, denial-of-service or distributed denial-of-services attack, or any other type of technological material resulting from the use of our website or of other websites to which there are links in our website.

The Buyer understands and accepts the security risks inherent of the provision of information and online transactions on the internet and will not be held as a liability towards the issuer for any security breach.

The Issuer shall not be liable for any damages caused to Buyer for any loss and we will not be liable for any use of Sanocubs or related content, in respect of any loss, damage or claims arising out of: (a) Buyer's error, transactions initiated incorrect, misspelled addresses; (b) server failure or data loss; (c) unauthorized access or use; (d) any unauthorized third party activities, including but not limited to the use of viruses, phishing, bruteforcing or other means of attacking the service or NFTs.
